SARATOGA NEIGHBORHOOD WATCH

NOTIFICATION FORM

As part of the registration process, the City of Saratoga requires Neighborhood Watch groups to demonstrate engagement from a majority of households in a Neighborhood Watch area. Use this form to show that the Neighborhood Watch leader(s) have made an effort to inform residents in the area of the efforts to establish a Neighborhood Watch group. If you cannot obtain a signature from a neighbor, note their address and leave a flyer or letter to let your neighbor know about the new Neighborhood Watch group. Attach additional signature sheets as needed.
