Ray Cosyn, Citizen Advisor (absent)
Iveta Harvancik, Staff
Shawn Gardner, Staff

II. Administration

Minutes approved for May.

III. Oral and Written Communication

None.

IV. Old Business

A. Bicycle Intersection Improvements

50 left turn lanes at signalized intersections, some have D loops -most do not. Public Works (PW) will increase the sensitivity for left turn lanes and paint bike stencil for all 50 left turn lanes. When intersections are rehab'd, D loops will be installed where not existing now. A list of all the intersections is available.

B. CIP Priority Rankings

More candidate projects are being added. This matter will return to the Trails Committee in August (there is no meeting in July).

V. New Business

A. Trail Benches - made from recycled materials, 4 locations have been selected initially.

B. Trail Maps - Trails Committee supports PW mapping and making maps available on the City website being aware of the current policy.

C. Pavement Markings for Trail Directions - Hiker stencil was shown. Hiker and arrows will likely be green. Size will alert car traffic to possible presence of hikers. Locations to be determined, proposals at next meeting.

D. Safe Route to School Application - 2 projects: 1) Quito Rd. sidewalk west side south of fwy, 2) Uplit Crosswalk at McAuliffe School crossing Prospect at Titus. Submittal of projects approved.

E. Parker Ranch branching trail - Staff presented plans which are expected to go to construction late 2008 pending property owner & neighborhood association approval.

F. Mt. Eden area and potential trail connections - Via Regina prospective trail connection subject to development activity taking place.
