## ATTENTION BIDDER

May 29, 2012

RE: Highway 9 Safety Improvements Phase II Contract (Federal Project HSIPL-5332(011))

Bidder:

Please read and understand all documents and forms prior to bidding. See Bidders' Checklist (page 90) for documents contractors are to submit with their bids.

Bidders must submit forms Exhibit 15-G (1) and Exhibit 15-H information regarding Underutilized Disadvantage Business Enterprises (UDBE) commitment and effort with its bid package on bid opening day. The UDBE goal for this project is 3.1%. The City of Saratoga has elected to make this information a material part of the bid, and bidders that fail to include this information on the correct form will be deemed non-responsive and not eligible for award of the contract.

The Engineering Estimate for the Base Bid is \$900,000.

Should you have any questions about this, please give me a call at (408) 868-1274.

Sincerely,

Iveta Harvancik, P.E.

Senior Engineer

City of Saratoga
