**MARK YOUR CALENDARS** for the upcoming meeting that will include a community workshop. You will have the opportunity to share your thoughts and help craft a vision for the future of the park.

The City of Saratoga recently purchased the 64 acre Quarry property located on Highway 9 near the Historic Saratoga Village and Hakone Gardens. The City of Saratoga is just beginning a community planning process to create a vision that will guide the development of the new Quarry Park. The goal of the planning process is to work closely with the community to develop a park that will promote public access and recreation, encourage resource protection, and develop important local and regional trail connections.
