for the upcoming Parks and Recreation Commission meeting and community workshop. Share your thoughts on the Draft Master Plan and the environmental review document for Saratoga Quarry Park!

The City of Saratoga recently purchased the 64-acre Quarry property located on Highway 9 near the Historic Saratoga Village and Hakone Gardens. The proposed park includes hiking trails and passive recreational facilities, and eventually a connection to the existing Skyline-to-the-Sea trail. The City has completed the Draft Master Plan and Draft Mitigated Negative Declaration (MND) in conformance with the requirements of the California Environmental Quality Act. An MND is a statement by the City that the project will not have a significant effect on the environment based on protective measures (mitigation measures) included in the project.

The public is invited to review this Draft Initial Study and Mitigated Negative Declaration. The Public comment period begins on **April 30, 2014 and ends on May 29, 2014**. The Draft Initial Study and Mitigated Negative Declaration and reference documents are available on the City's website at [www.saratoga.ca.us/quarrypark](http://www.saratoga.ca.us/quarrypark). The documents are also available for review at the City of Saratoga Public Works Department at 13777 Fruitvale Avenue, Saratoga, CA 95070.during the following windows:
