

SARATOGA QUARRY PARK: A TREASURE TROVE

Saratoga Quarry Park is a portal to the past and a gateway to the Santa Cruz Mountains, as well as a place to explore, play, and learn. Explore the trails of this former quarry site to uncover a wealth of cultural and natural resources.

This parkland acquisition was made possible, in part, by the County of Santa Clara Park Charter Fund, in partnership with the City of Saratoga, the County of Santa Clara Parks and Recreation Department, and the Midpeninsula Regional Open Space District.
