MUSIC TOGETHER® MIXED AGES

Instructor: Music Together Staff

Child development researchers have found that grouping together children of varying ages fosters a natural, family-style learning. The hallmark of the Music Together program, our Mixed-age Class gives children the environment they need to grow musically while interacting both socially & musically with peers of different ages. Younger children enjoy watching & imitating older ones; older children learn by leading younger ones; & adults are happy because their children can go to class together. Any or all of your child’s caregivers—parents, grandparents, nannies—can come share in the experience, both in class & at home. The whole family is welcome for this important family music experience. For additional class information, including an infant’s program, visit www.musicalme.com.

Great Getaways

Berkeley Tour with Gary Holloway

Thursday, December 1st

8:15am-6:00pm

\$115– Trip #459-0104.04

The historic settlement that became Berkeley was founded shortly after the Gold Rush of 1848, as a fishing village along San Francisco Bay. In the 1860's, the regents of the new University of California decided to move the campus from downtown Oakland to a rural thousand acres adjacent to two flowing streams, and to name the new area Berkeley, for a prominent Irish philosopher. On this day of exploration, we will visit the fabulous University Botanical Garden, in a beautiful canyon above the main campus and visit the newly-restored Women's Building, designed by famed architect Julia Morgan. Lunch will follow at the legendary Spenger's Seafood Restaurant, near the city's waterfront. Following lunch, we will visit the new Berkeley Art Museum, across the street from the UC campus. Come join us for a day of wonderful new things in Berkeley.

Great Getaways

INTO The Woods Coming March 2017

Venture back **INTO THE WOODS** with the acclaimed Fiasco Theater production that the *Associated Press* called “ingenious and bewitching.” Unanimously praised and extended twice at Roundabout’s Laura Pels Theater, the Tony Award®-winning musical classic by Stephen Sondheim and James Lapine has been mounted with boundless imagination. This witty and wildly theatrical re-invention, produced by the Dodgers (*Jersey Boys, Matilda*) and NETworks Presentations (*The Phantom of the Opera, War Horse, South Pacific*), is **INTO THE WOODS** as you’ve never seen it before!

Including dazzling songs like “Children Will Listen” and “No One Is Alone,” this thrillingly clever new version made Ben Brantley of *The New York Times* fall “head over heels.” Mind the wolf, heed the witch and honor the giant in the sky at this extraordinary musical about the power of wishes and what really happens after they come true.
