

# **HIGHWAY 9 SAFETY IMPROVEMENT PROJECT**

**Saratoga, Monte Sereno, & Los Gatos**

**Public Meeting No. 3**  
February 27, 2007 at City of Saratoga

# HIGHWAY 9 SAFETY IMPROVEMENT PROJECT STATUS

Public Meeting No. 1 - November 27, 2006

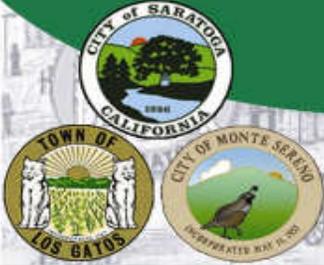

Caltrans Meeting No. 1 – December 20, 2006

Public Meeting No. 2 – January 8, 2006

Caltrans Meeting No. 2 – January 29, 2007

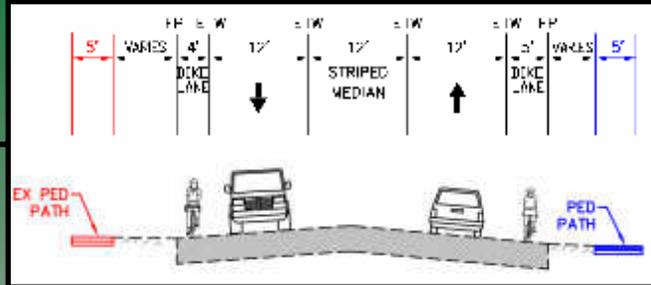

Public Meeting No. 3 – February 27, 2007

- Update Pedestrian Masterplan Concept
- Highway 9 Safety Improvements (Spring/Summer 2007)
- Work in Parallel

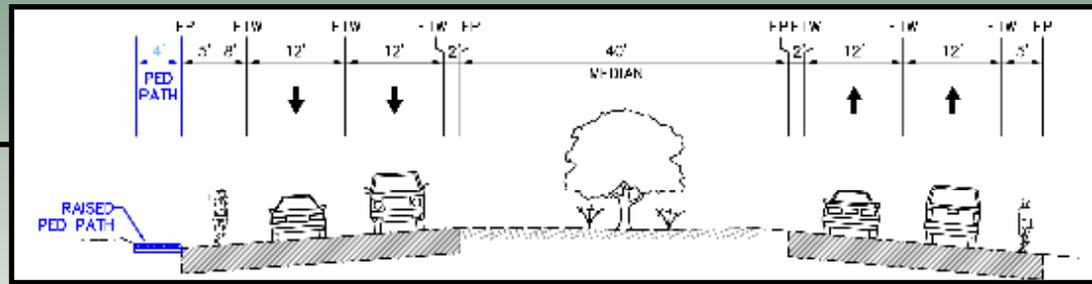

# PEDESTRIAN MASTERPLAN CONCEPT

## (Possible Cross Sections)

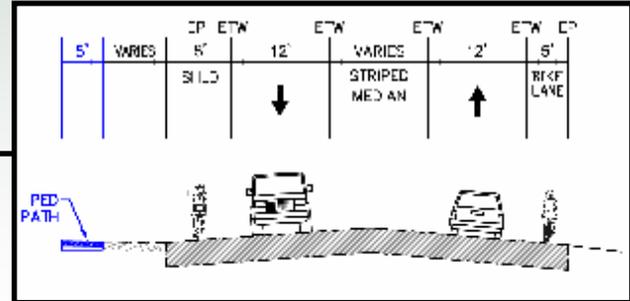

**Possible Cross Section No. 1**

- Meandering Pedestrian Path
- 4' to 5' Width
- Path Along Eastbound Highway 9
- Integrated with Hwy 9 Safety Improvement Project

**Possible Cross Section No. 2**

- Attached (Raised) Pedestrian Path
- 4' to 5' Width
- Path Along Westbound Highway 9
- Integrated with Hwy 9 Safety Improvement Project

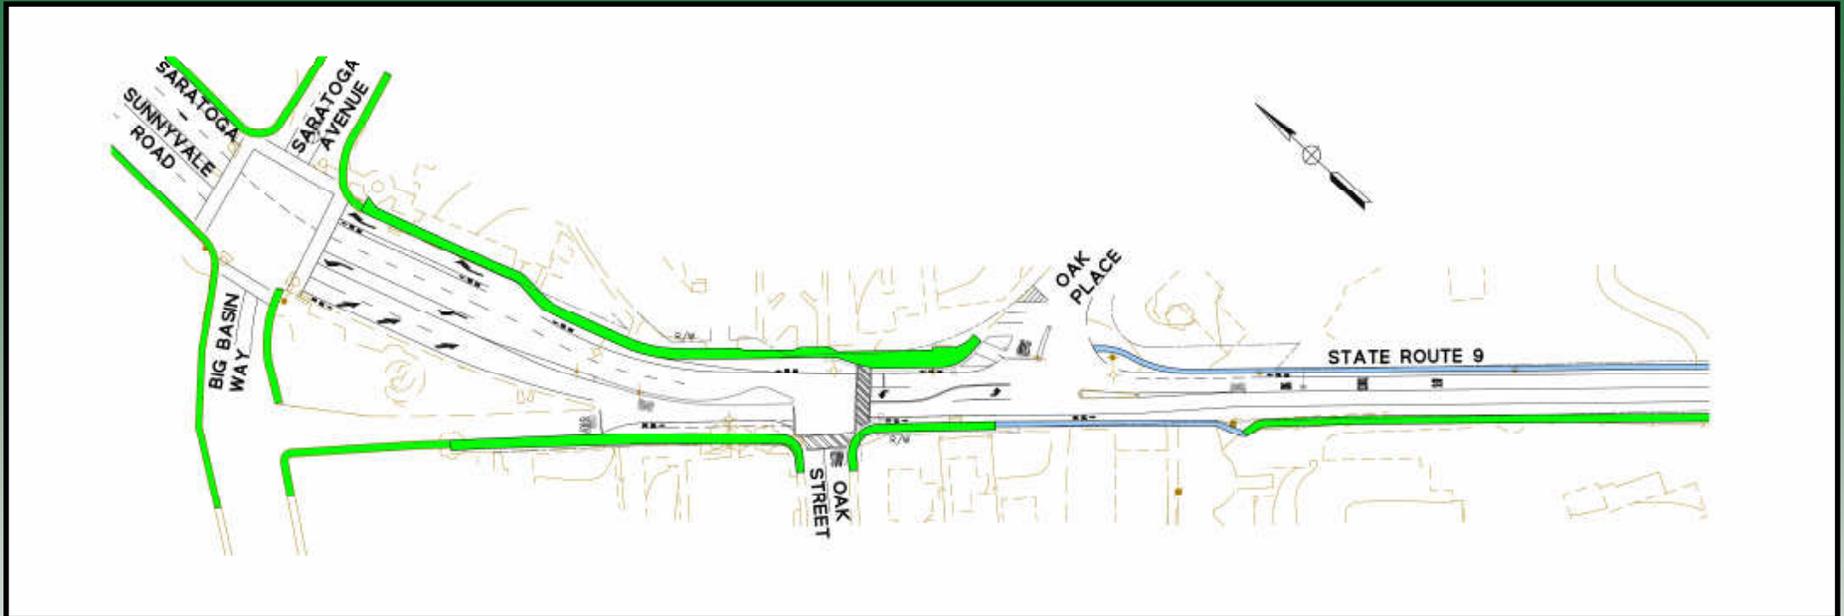

**Possible Cross Section No. 3**

- Meandering or Setback Pedestrian Path
- 4' to 5' Width
- Path Along Westbound Highway 9
- Integrated with Hwy 9 Safety Improvement Project

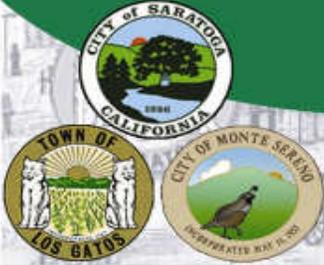

# PEDESTRIAN MASTERPLAN CONCEPT

**Saratoga,  
Monte Sereno,  
Los Gatos**

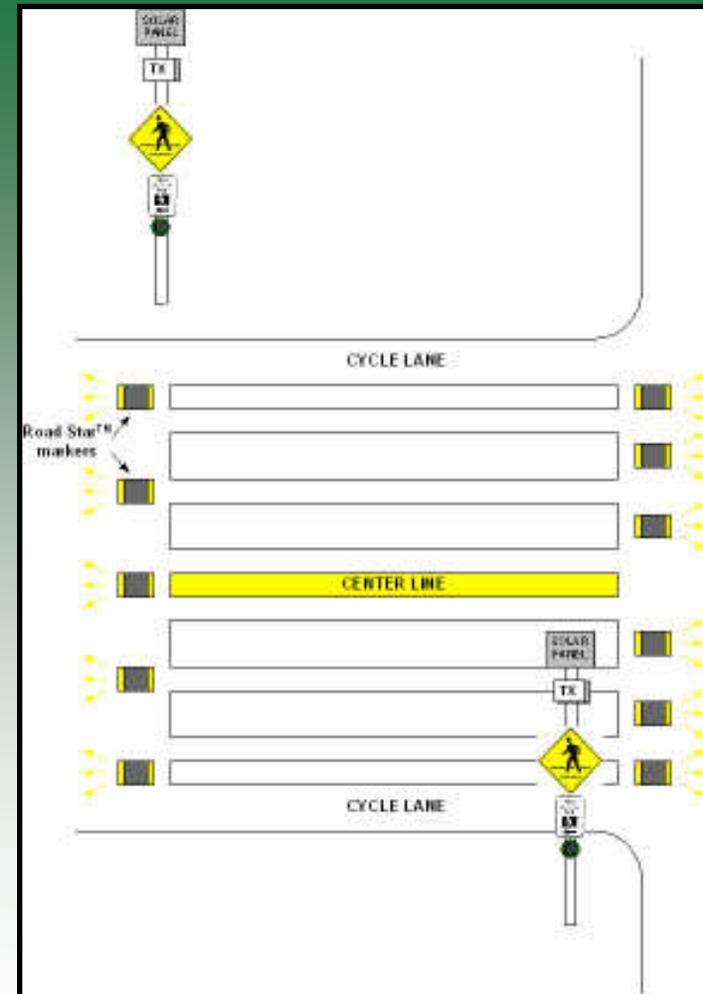

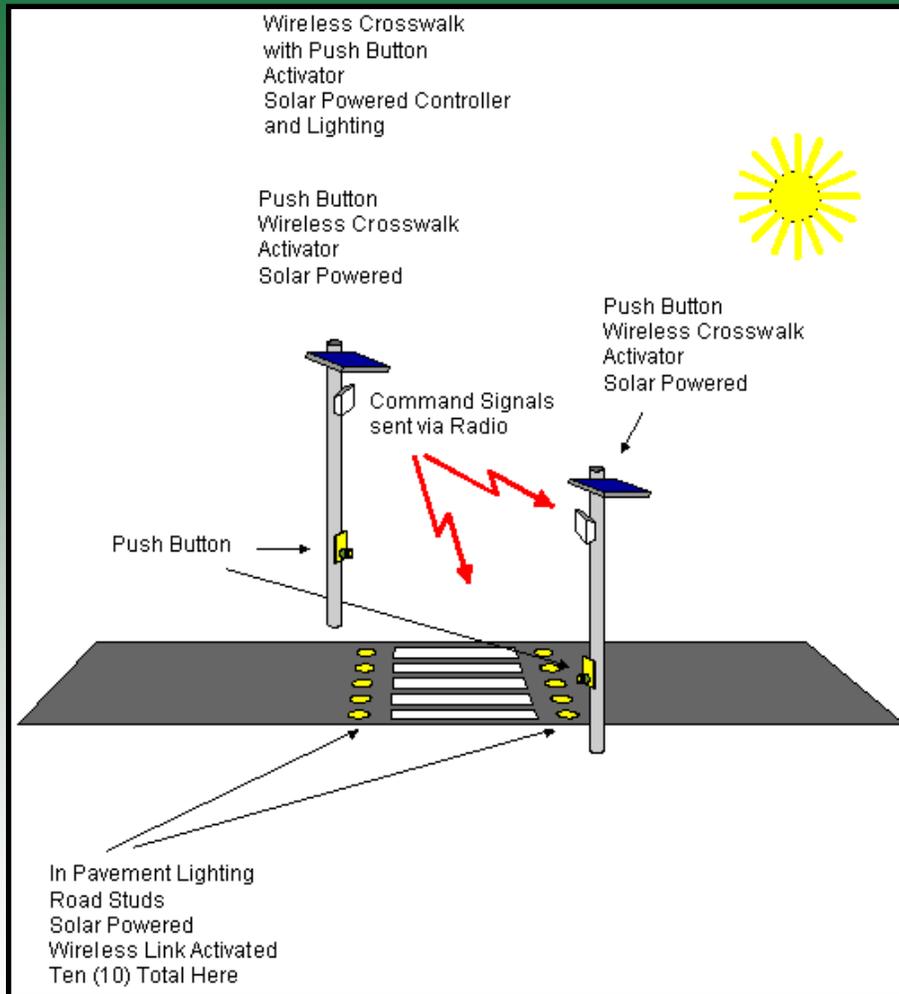

# **PEDESTRIAN ACTIVATED LIGHTED CROSSING**

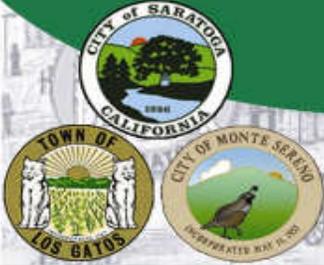

- 1. Pedestrian Activated Push-Button Control**
- 2. Solar-Powered, Light Emitting Diode (LED) Units In-Pavement (embedded)**
- 3. Advance Warning Flasher/Beacon**
- 4. Median Refuge Area for Pedestrians (Daves and Massol)**
- 5. Crossing and Continuity with Bicycle Improvements and Pedestrian Masterplan Concept**

Saratoga,  
Monte Sereno,  
Los Gatos

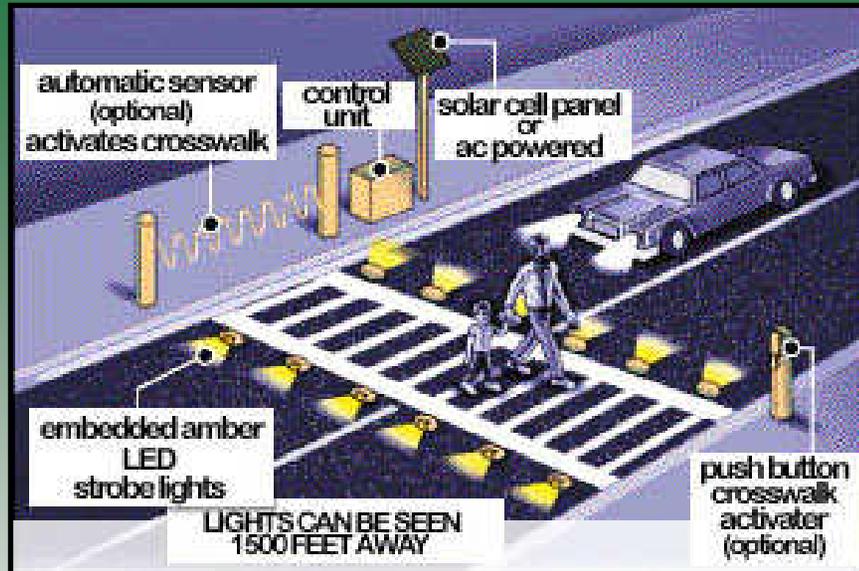

# PEDESTRIAN ACTIVATED LIGHTED CROSSING

# HIGHWAY 9 SAFETY IMPROVEMENTS

Saratoga,  
Monte Sereno,  
Los Gatos

- 1. Pedestrian Activated Lighted Crossing**
- 2. Signalized Intersection Modifications**
- 3. Minor Widening/Asphalt Concrete Improvements**
  - Right-Turn Pocket Widening
  - Median Modifications
  - Sliver-Widening
  - Curb & Gutter Modifications
  - Retaining Wall Widening Improvements
  - AC replacement/driveway conforms for rideable surface
- 4. Signing and Striping Improvements**
  - 6" wide Striping to separate bicycle and pedestrians
  - Bike Striping and Signing
  - No Parking Signing
  - Pedestrian Crossing/Advance Warning Signing

# PROJECT LOCATIONS (SARATOGA)

## Location No. 2

### ***Oak Place to Westcott Drive***

- Sliver Widening
- Class II Bike Lanes
- 11' Through Lanes
- Oak Street Traffic Calming Coordination

## Location No. 4

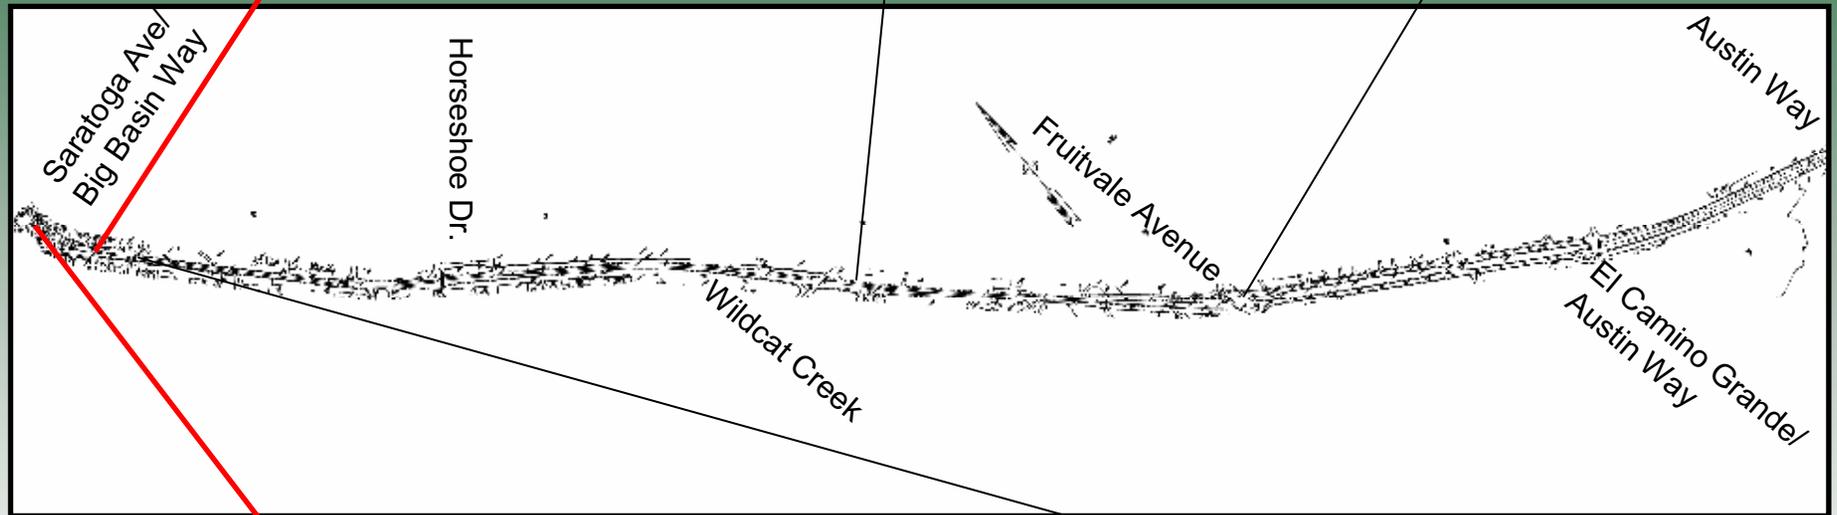

### ***Park Drive***

- Right Turn Lane Widening
- Class II Bike Lanes

## Location No. 5

### ***Fruitvale Ave***

- Right Turn Lane Widening
- Class II Bike Lanes
- Signalized Intersection Modification

## Location No. 1

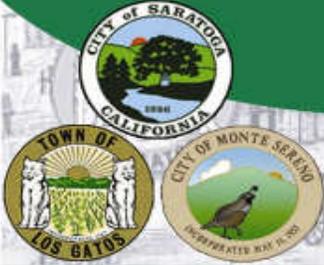

### ***Saratoga Ave/Big Basin Way to Oak Street***

- Median Modification
- Class II Bike Lanes
- Signalized Intersection Modification
- Oak Street Traffic Calming Project Coordination

## Location No. 3

### ***Vickery Avenue***

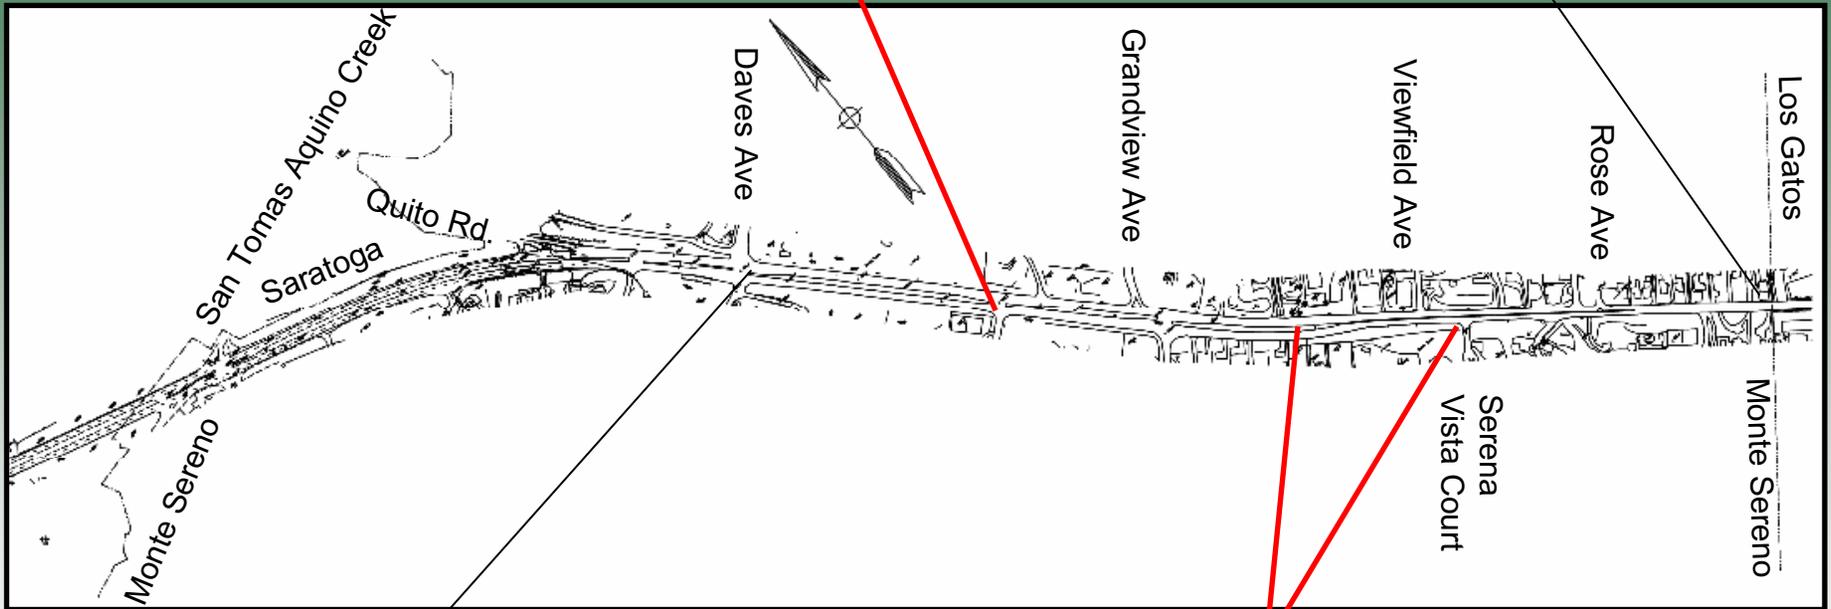

- Sliver Widening
- Class II Bike Lanes
- Pedestrian Activated Lighted Crossing

# PROJECT LOCATIONS (MONTE SERENO)

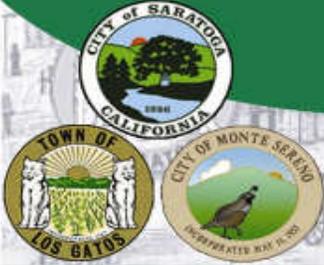

**Location No. 7**  
**Greenwood Road**  
 - Right Turn Lane Widening  
 - Class II Bike Lane  
 - Pedestrian Activated Lighted Crossing  
 - Pedestrian (Median) Refuge Area

**Location No. 9**  
**Monte Sereno City Limits**  
 - Sliver Widening  
 - Class II Bike Lane  
 - AC Replacement/Driveway Conforms

**Location No. 6**  
**Daves Avenue**  
 - Median Widening  
 - Class II/III Bike Lanes or Route  
 - Pedestrian Activated Lighted Crossing  
 - Pedestrian (Median) Refuge Area

**Location No. 8**  
**Viewfield Road to Serena Vista Court**  
 - Sliver Widening  
 - Class II Bike Lane  
 - AC Replacement/Driveway Conforms  
 - 11' Two-Way Left Turn Lane (TWLTL)

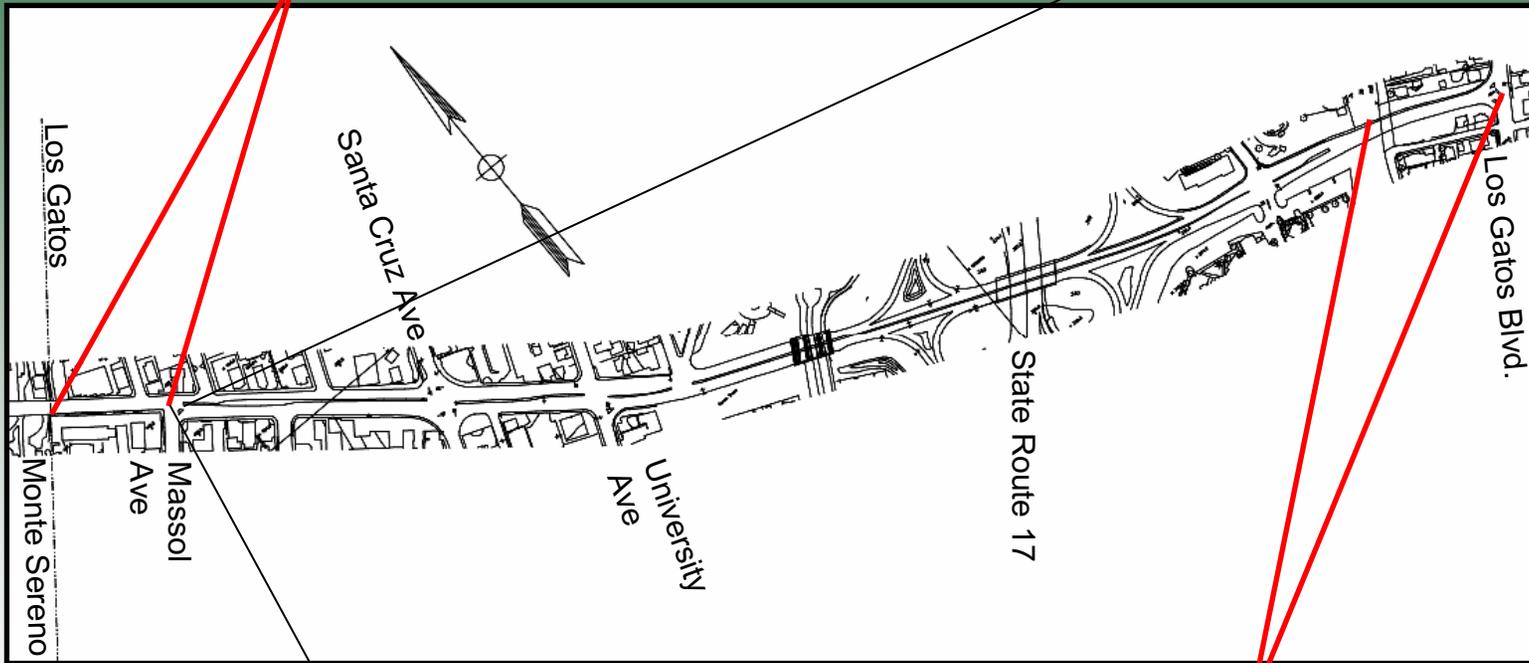

# PROJECT LOCATIONS (LOS GATOS)

**Location No. 9**  
**Los Gatos City Limits to Massol Ave**

- Curb & Gutter Modifications for 3' Minimum AC
- AC Replacement
- Class II Bike Lane
- 11' Two-Way Left Turn Lane (TWLTL)

**Location No. 11**  
**Massol Ave to San Benito Ave**

- Median Widening
- Class II Bike Lane

**Location No. 10**  
**Massol Avenue**

- Class II Bike Lane
- Pedestrian Activated Lighted Crossing
- Pedestrian (Median) Refuge Area

**Location No. 12**  
**Bella Vista Avenue to Los Gatos Blvd**

- Right Turn Lane Widening
- Retaining Wall
- Class II Bike Lane
- Signalized Intersection Modifications

# WORK IN PARALLEL

1. Placement of New Speed Feedback Signs (In Progress at Carnelian Glen Court and Ridgecrest)
2. Coordination with Caltrans' Resurfacing Project (In Progress)
3. Speed Survey Study (Following Highway 9 Safety Improvement Project)
4. Streetlight Enhancements at Intersections (Under Study)
5. Pursuit, Development, Refinement and Consensus of Pedestrian Masterplan, Including Other Interim/Future Safety Enhancements
  - a. Continuous Pedestrian Access Through Corridor
  - b. Separated/Raised Pedestrian Sidewalks, Paths and Walkways
  - c. Overhead Flashing Beacons Approaching Crosswalks
  - d. Other In-Pavement (Embedded) Pedestrian Activated Lighted Crossing
  - e. Speed Regulated Signals
  - f. Speed Notifications Signs
  - g. Median Refuge Areas for Pedestrians/Crossings
  - h. Enhanced Separation Between Vehicular, Bicycle and Pedestrian Traffic
6. Hwy 9/Los Gatos Creek Pedestrian/Bicycle Connection (Under Study)
7. Continue to Pursue R/W Dedication/Acquisition Opportunities (In Progress)
8. Utility Coordination/Relocation Efforts (Pending)
9. Pursue Additional Funding Opportunities (In Progress)
10. Discussions of Caltrans Jurisdictional Relinquishment of Highway 9 (In Progress)
