TELEPHONE: (408) 868-1258

PUBLIC REVIEW PERIOD: April 17, 2007 – May 18, 2007

PROJECT DESCRIPTION: The proposed project would result in the development of an approximately 1.3-mile bike and pedestrian trail extending along an approximately 1.6-mile PG&E easement that is approximately 75 feet wide. The 12-foot-wide trail, which would extend from Saratoga-Sunnyvale Road on the northwest to Saratoga Avenue on the southeast, would be surfaced with decomposed granite. The project would also include focused trail corridor improvements, including a small (approximately five space) parking area and trail staging site with access from Saratoga-Sunnyvale Road, revegetation along the trail corridor (as needed), and two bridges – one over Rodeo Creek and the other over Saratoga Creek. The trail would connect to existing bike lanes along Saratoga Sunnyvale Road, Cox Avenue, and Saratoga Avenue. Please refer to the Initial Study for more detail.
