Re: Village Pedestrian Enhancement Project

Dear Village Merchant,

The City of Saratoga through its contractor Robert A. Bothman, Inc. will be improving and beautifying Big Basin Way at the intersections at 4th Street, 3rd Street, and Blaney Plaza. Improvements include street crossing improvements and minor sidewalk repair, bicycle enhancements, pedestrian bulb outs, landscaping, hanging flower baskets on light poles, irrigation, and street furniture.

The construction will start the week of June 28th at 4th Street. Any major work not completed by Thanksgiving will be completed after the holiday season.

All streets and sidewalks will generally remain open during construction. There may be some short periods of time where traffic will be detoured around the construction.

You can view the project plans on the City's website at www.saratoga.ca.us, click on "What's New" then "Current Projects".

Please contact me or Macedonio Nunez, Project Manager, at (408) 868-1208 if you have any questions regarding the project.

Sincerely,

John Cherbone

John Cherbone
Public Works Director
