

**HIGHWAY 9
SAFETY IMPROVEMENT PROJECT
PHASE II**

Saratoga, Monte Sereno, & Los Gatos
August 31, 2010

SAFETY IMPROVEMENT PROJECTS

Objectives

- Corridor-wide Pedestrian & Bicycle Safety Improvements

Implementation

- Public Input and Meetings - November 2006
- Funding through Grants
- Caltrans Coordination and Encroachment Permit

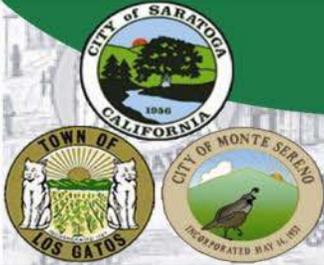

SAFETY IMPROVEMENT PROJECTS

Constraints

- Funding Opportunities
- Right-of-Way
- Utility Relocations
- Caltrans Design Standards

Phased Program

- Master Plan for Bicycle and Pedestrian Safety Improvements
- Implementation based on Funding Availability
- Phase I
 - ❖ Bicycle Improvements and Pedestrian Crossings
 - ❖ Completion Fall 2008

PHASE I SAFETY IMPROVEMENTS

Oak Street

Oak Place

Vickery Avenue

Massol Avenue

PHASE II SAFETY IMPROVEMENTS

Phase II Improvements

Funding

- ❖ \$900,000 from Construction from the Highway Safety Improvement Program
- ❖ \$462,000 from Proposition 116
- ❖ \$20,000 from Santa Clara Valley Transportation Authority
- ❖ Required Local Match

Pedestrian Improvements

Public Information Meeting – March 31, 2010

- Control of Speed along Highway 9
- Increase Safety at Crosswalks
- Traffic Calming

PHASE II SAFETY IMPROVEMENTS

Caltrans Discussions

- Speed Indicator Signs
- Advance Crossing Signage
- Speed Reduction Opportunities

- Lane Reduction
 - ❖ Traffic Reporting and Analysis
 - ❖ Planning and Design Approval
 - ❖ Schedule and Funding Opportunity

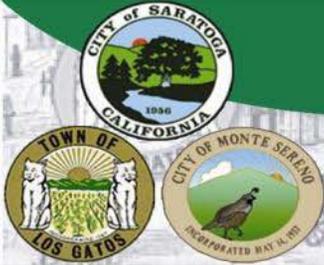

PHASE II SAFETY IMPROVEMENTS

Phase II Pedestrian Improvements

- Pedestrian Paths
 - ❖ Close Gaps
 - ❖ ADA Compliant
- Additional Lighted Pedestrian Crossings
- Advance Crossing Signage
- Speed Indicator Signs
- Miscellaneous Safety Improvements

Constraints

- Right-of-Way
- Utility Relocations
- Caltrans Design Standards

Presentation Open to Public Questions

PHASE II SAFETY IMPROVEMENTS

Next Steps

- Design Development
 - ❖ Development of Detailed Plans
 - ❖ Caltrans Coordination
 - ❖ Public Meeting
 - ❖ Project Approval – Caltrans Encroachment Approval

- Construction –Spring/Summer 2011 Start

- Future Phases of Work
 - ❖ Implementation of Remainder of Master Plan
 - ❖ Work Based on Funding Opportunities
