

HIGHWAY 9 SAFETY IMPROVEMENT PROJECTS

Saratoga, Monte Sereno, & Los Gatos
October 24, 2011

SAFETY IMPROVEMENT PROJECTS

Objectives

- Corridor-wide Pedestrian & Bicycle Safety Improvements

Constraints

- Right-of-Way and Utility Obstructions
- Caltrans Owner and Operator - Standards and Encroachment Permit

Phased Implementation Program

- Public Input and Meetings - November 2006
 - Master Plan for Bicycle and Pedestrian Safety Improvements
- Funding through Grants
- Phase I – Bicycle Improvements and Pedestrian Crossings
 - Completion Fall 2008

PHASE I SAFETY IMPROVEMENTS

Oak Street

Oak Place

Vickery Avenue

Massol Avenue

SAFETY IMPROVEMENT PROJECTS

Future Improvements

Funding

- \$900,000 from Construction from the Highway Safety Improvement Program
- \$462,000 from Proposition 116
- \$20,000 from Santa Clara Valley Transportation Authority
- \$20,000 from Santa Clara County
- \$900,000 from Highway Safety Improvement Program (second grant)
- Required Local Match

Public Information Meetings – March 31, 2010 and August 31, 2010

- Control of Speed along Highway 9
- Increase Safety at Crosswalks
- Traffic Calming

SAFETY IMPROVEMENT PROJECTS

Phase II Pedestrian Improvements

- Pedestrian Paths
 - Close Gaps and ADA Compliant
- Additional Lighted Pedestrian Crossings
- Miscellaneous Safety Improvements

Phase III Bicycle Improvements

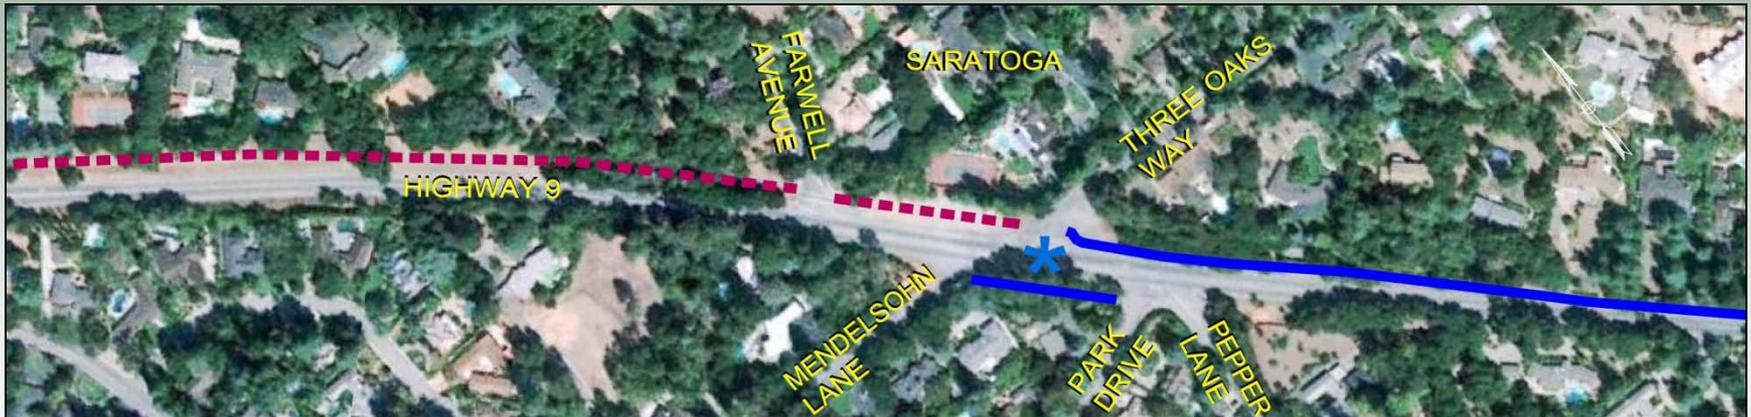

- Bicycle Detection at Intersections
- Bicycle Lane Deleted from Phase I
- Austin Way Intersection Improvements

Phase IV Pedestrian Improvements

- Complete Pedestrian Paths not included in Phase II

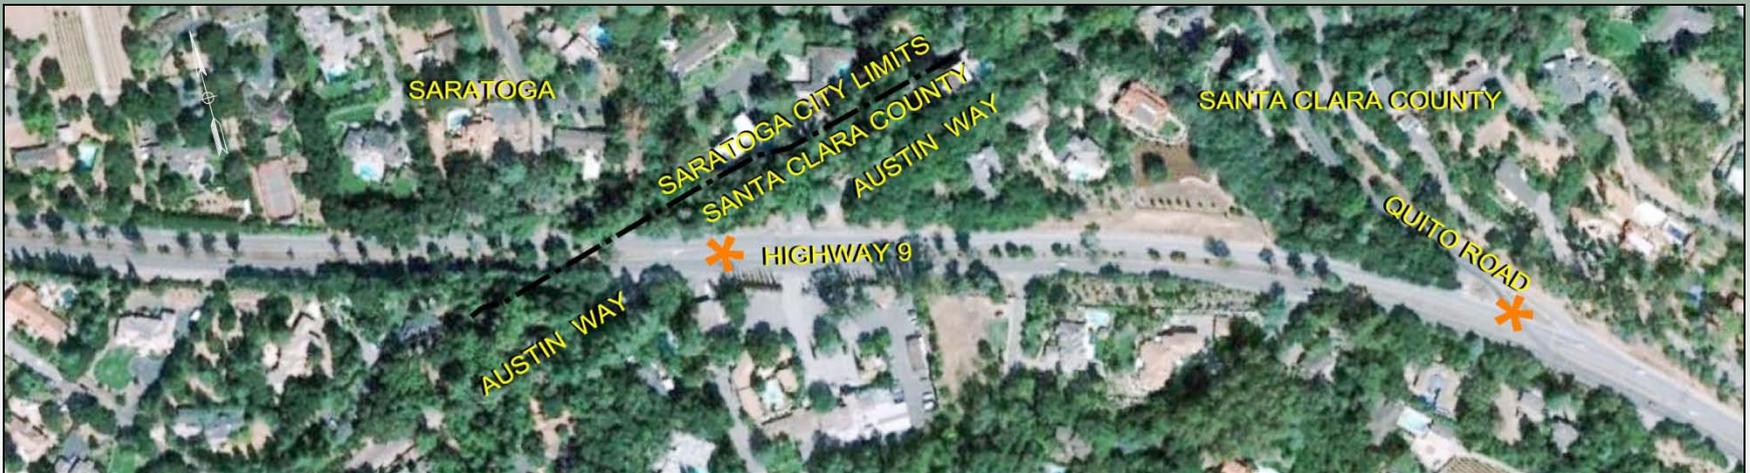

PHASE II SAFETY IMPROVEMENTS Pedestrian Path

PHASE II SAFETY IMPROVEMENTS

Intersection Improvements

Vickery Avenue / Montalvo Road Intersection

PHASE II SAFETY IMPROVEMENTS Pedestrian Crossing

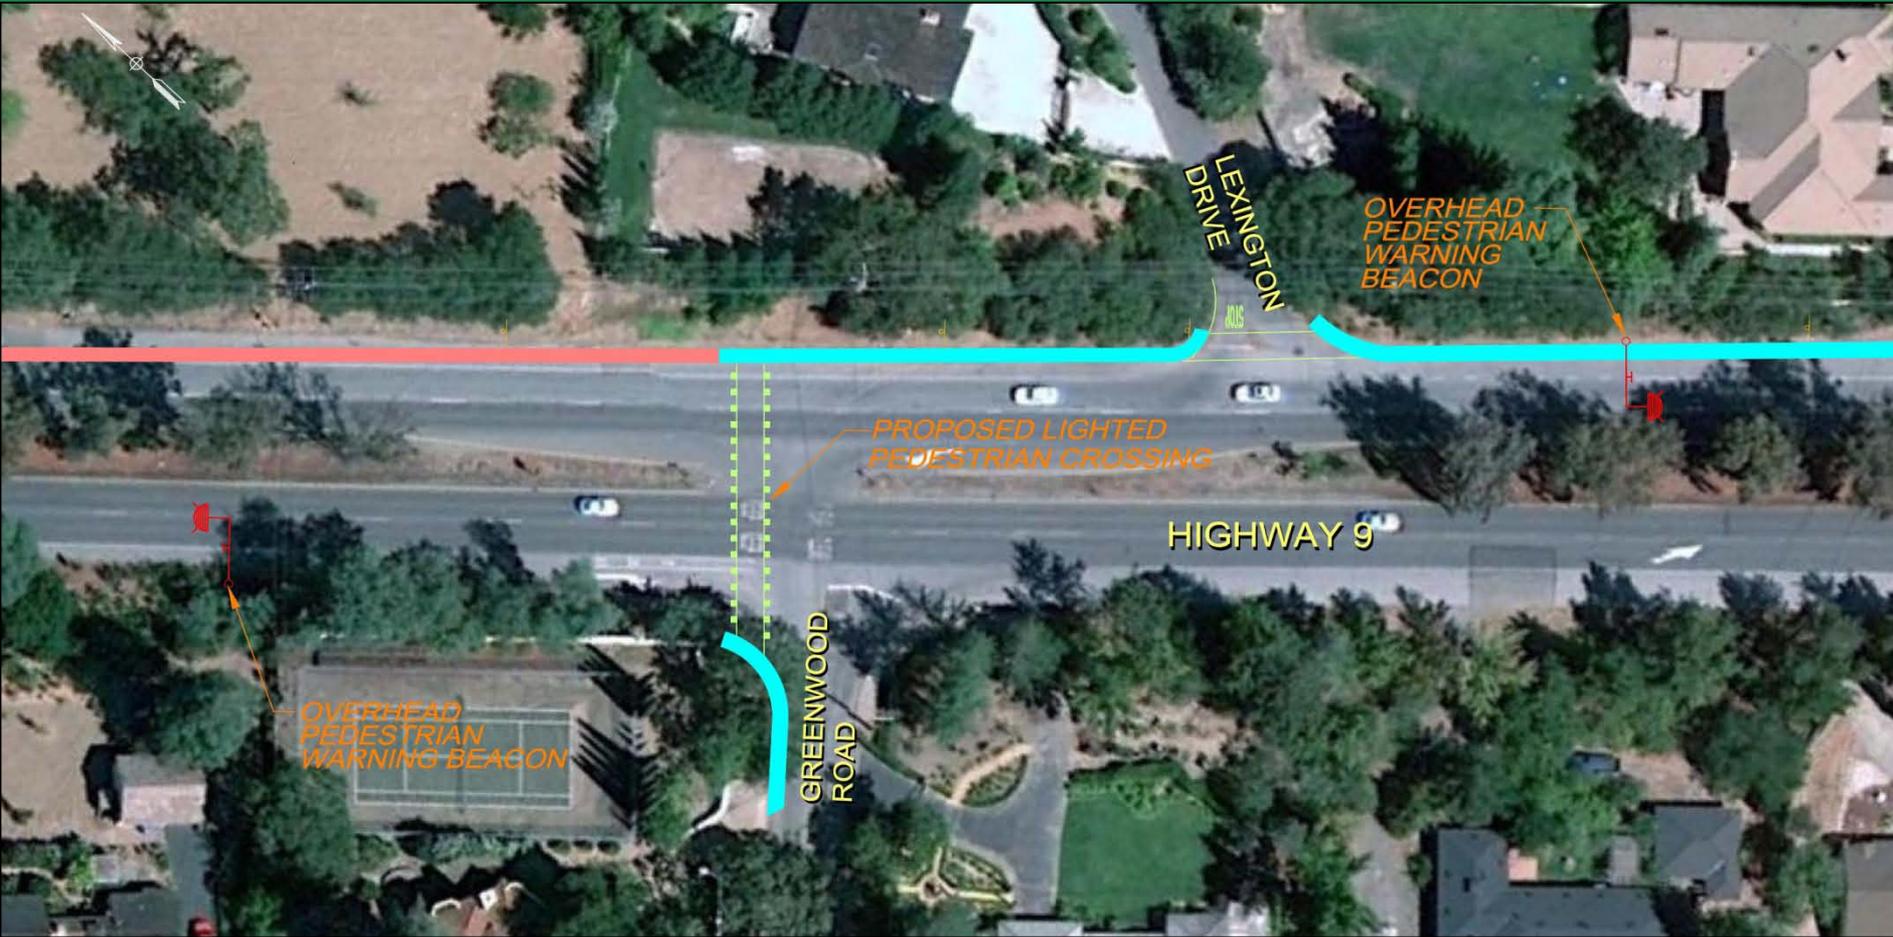

Three Oaks Way Intersection

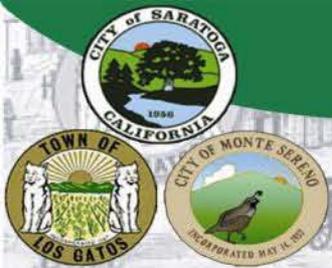

PHASE II SAFETY IMPROVEMENTS

Pedestrian Crossing

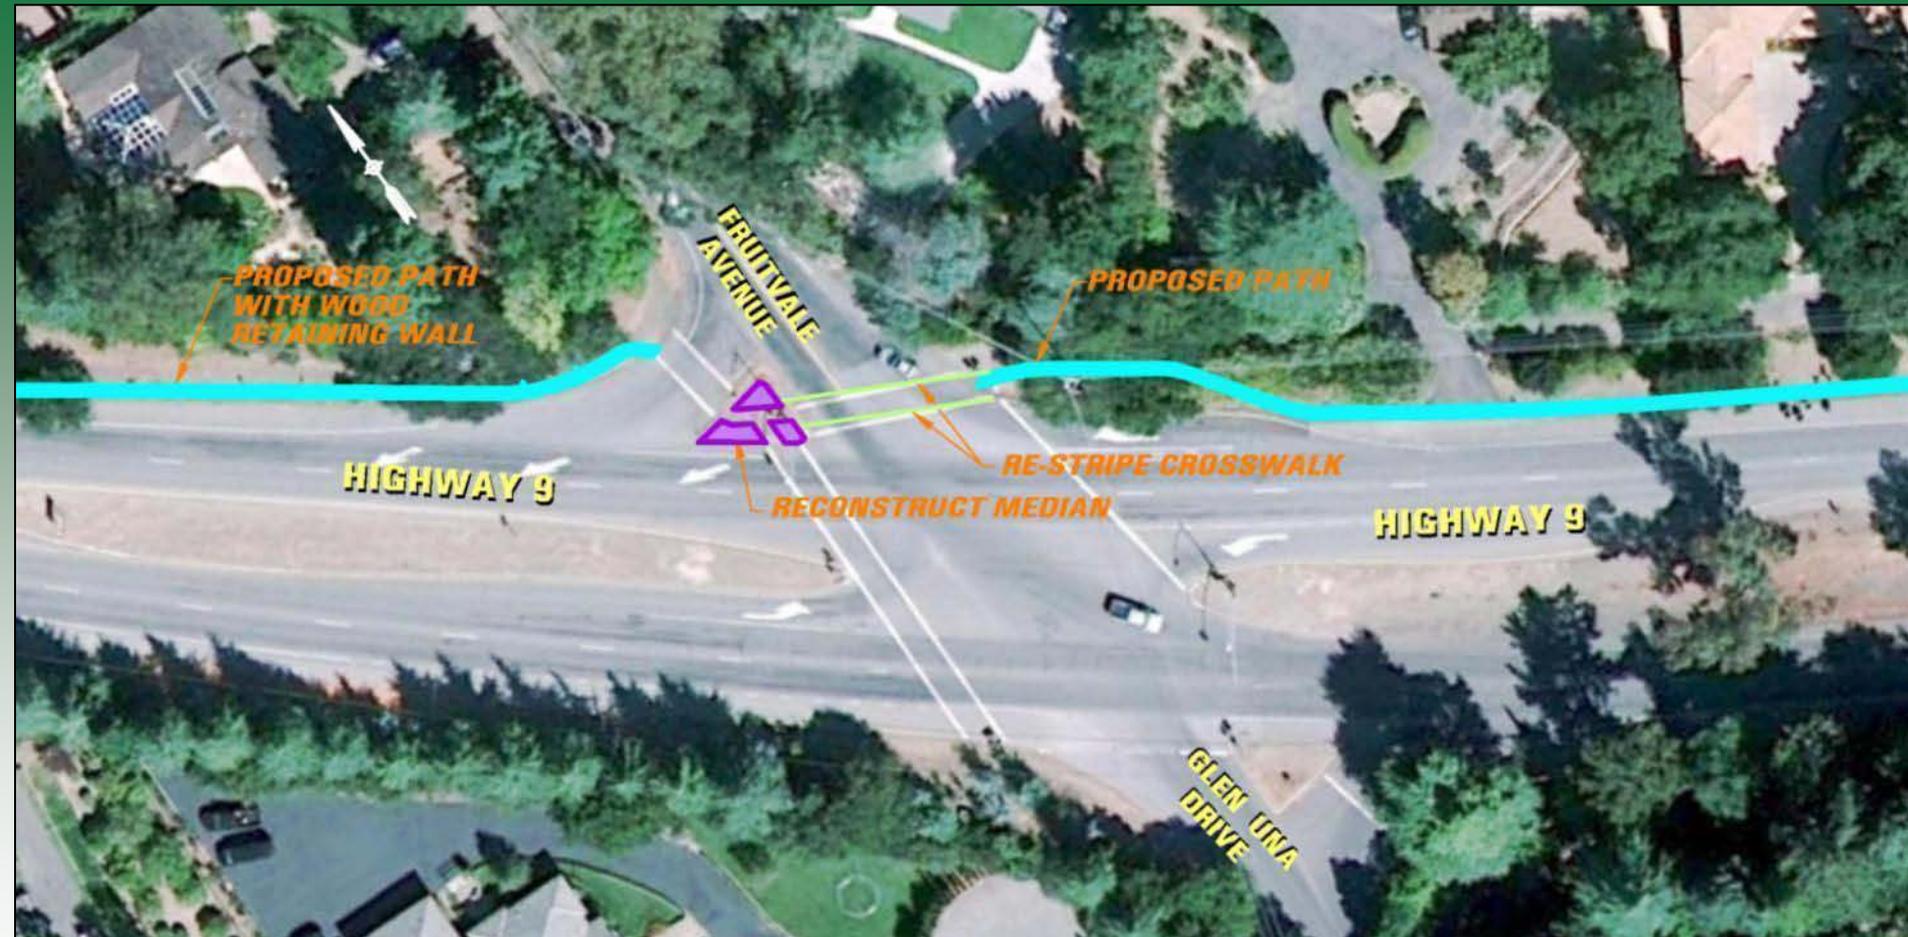

Greenwood Road

PHASE IV SAFETY IMPROVEMENTS

Intersection Improvements

Fruitvale Avenue Intersection

PHASE IV SAFETY IMPROVEMENTS

Pedestrian Path

Bulb-out at Daves Avenue Intersection

PHASE III SAFETY IMPROVEMENTS

Intersection Improvements

Austin Way Intersection

PHASE IV SAFETY IMPROVEMENTS BICYCLE LANE

Los Gatos Boulevard

SAFETY IMPROVEMENT PROJECTS

Project Status

Design Development

- Development of Detailed Plans
- Project Approval – Caltrans Encroachment Approval

Construction

- Phase II Design Late 2011 and Construction Spring/Summer 2012
- Phase III Design Early 2012 and Construction Fall 2012
- Phase IV Design Early 2012 and Construction Fall 2012
