Re: Village Streetscape Improvement Public Input Meeting

Dear Property Owner/Village Merchant:

The City will be holding a second public meeting to solicit input from residents and business owners regarding the Phase 2 proposed pedestrian safety and beautification improvements in the Village.

The City received a second Pedestrian Enhancement Grant from the Santa Clara Valley Transportation Authority to improve pedestrian safety and beautification along Big Basin Way while taking into account the unique and historic environment of the Village. Primarily, work will be focused on completing the pedestrian safety and beautification improvement envisioned, but could not be funded in Phase I.

This meeting will focus on the conceptual drawings developed by the City's Landscape Architects, Gates and Associates, which include implementation of ideas shared at the first project meeting held last October

Some of the planned improvements are:

- Sidewalk improvements
- Signage
- Pedestrian bulb out
- Crosswalk in-pavement lighting
- Blaney Plaza Improvements
- Landscaping
- Irrigation
- Lighting
- City Archway

You can view the project conceptual plans online at www.saratoga.ca.us under "What's New" then click on "Current Projects", or at the Saratoga Chamber of Commerce located at 14460 Big Basin Way.

Village Streetscape Improvement Public Input Meeting

Wednesday, June 27, 2012 - 6:00 p.m.

City Hall – Administrative Conference Room

13777 Fruitvale Avenue, Saratoga

For questions on this project, please contact Macedonio Nunez at 408-868-1218 or mnunez@saratoga.ca.us

Sincerely,

John Cherbone

Public Works Director
