Chair Mohiuddin called the virtual Regular Meeting to order at 7:00 p.m. via teleconferencing through Zoom. Prior to Roll Call, the Chair and Community Development Director explained that the Planning Commission meeting was conducted pursuant to provisions of the Brown Act and a recent Executive Order issued by the Governor to facilitate teleconferencing to reduce the risk of COVID-19 transmission at public meetings. Ordinarily the Brown Act sets strict rules for teleconferencing. The Governor’s Executive Order has suspended those rules. The Executive Order does require that public agencies continue to notice meetings in advance and provide members of the public an opportunity to observe the meeting and offer public comment. The Planning Commission met all the applicable notice requirements and the public is welcome to participate in this meeting. Information on how the public can observe the meeting and provide public comment was also shared. Additionally, the Chair explained that votes would be taken through roll call.
