Who feels love and creativity
Who enjoys my mom, games, fresh air and kittens
Who dislikes bullies
Who gives joy and love
Who wants to see grandma and grandpa
Who is in third grade at Marshall Lane
Resident of Saratoga
A caring boy

Poem:

The birds flew
like music notes in the sky
playing beautiful songs.
Trees grew, pianos played.
Life is a melody of beauty.

About the Poem:

My poem was inspired by my love and gratitude for nature and music. I wrote it after a piano lesson. I was sitting in my backyard next to the creek and the joy of both came together. Try to see the beauty in life everyday!
